

# All the things you can do with the Kenya Kids CAN

## Your kids can ...

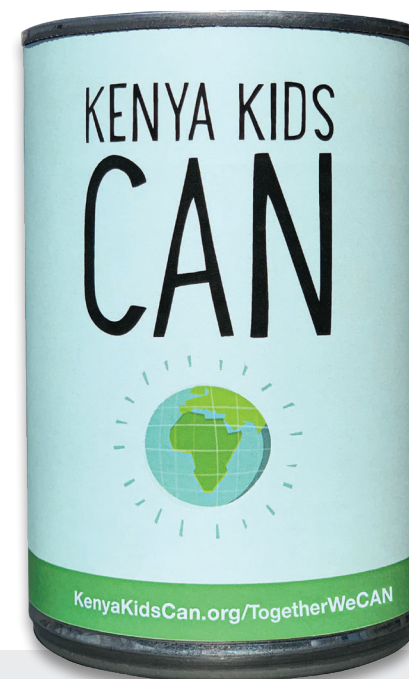

Organize a lemonade stand and collect the proceeds in a Kenya Kids CAN to sponsor lunch for a student — \$17 for a full year. The best part is that your kids are helping other kids, they're learning about another culture, and they're discovering how to make a difference through generosity.

Dedicate one birthday to using Kenya Kids CANs as party favors, asking party guests to fill and return the cans. One birthday can make a big difference, not only in the daily lives of Kenyan students, but in the lives of your child's friends and family.

## Your family can ...

Deposit pocket change throughout the year in a family-size Kenya Kids CAN and collect enough change to sponsor a baker's dozen. That's lunches each day for a group of 13 students for \$17 a month.

### Your children's ministry can ...

Pick Kenya Kids Can to be the ministry focus for this year's Vacation Bible School fundraiser and see which kids can raise the most money using their CANs. Help children at your church feel connected to children in Kenya, and experience the joy of purchasing githeri (maize and beans) for thousands of Kenyan students.

Adopt a school, and conduct a CAN drive for a Sunday school project or for this year's harvest festival. Engage kids in a craft project where they create their Kenya Kids CAN, and pair this activity with a lesson on stewardship. In one Sunday, your children can raise enough money to provide a month of lunches for an entire Kenyan school.

### Your church can ...

Feature Kenya Kids Can during your missions festival, and collect pocket change through a CAN drive to sponsor a teacher in one of our computer centers for \$275 a month.

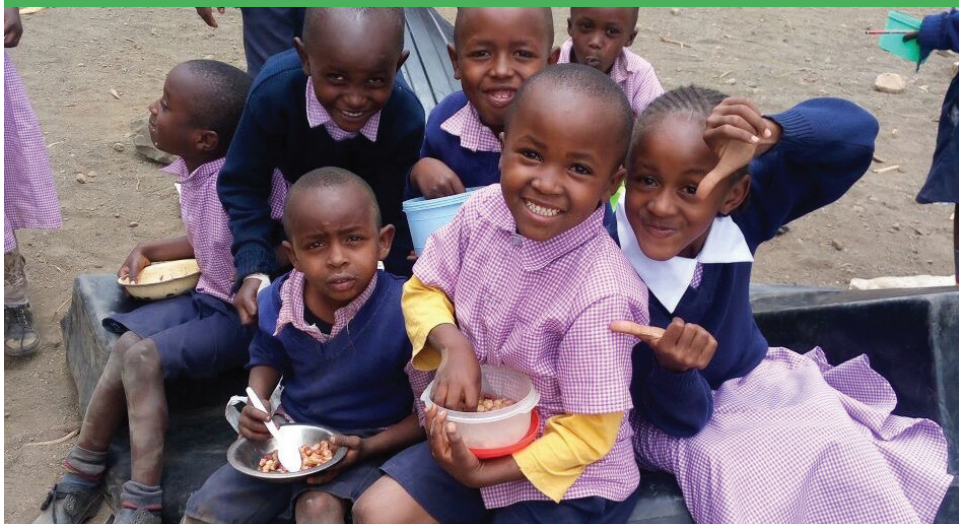

### Your business can ...

Schedule a workplace giving campaign that allows your staff to collaborate in a CAN drive to sponsor the lunch program at an entire school with:

- 250 students for \$320/month
- 700 students for \$900/month
- 1,800 students for \$2,300/month

**All the resources you need to organize and promote your Kenya Kids CAN drive are available at**
